### AAUW'S MISSION STATEMENT

The American Association of University Women promotes equity for all women and girls, lifelong education, and positive societal change. In principle and practice AAUW values and seeks a diverse membership. There shall be no barriers to full participation on the basis of gender, race, creed, age, sexual orientation, national origin, disability, or class.

To participate in the discussion and vote on this important issue, be sure to attend the business sessions:

- Friday, 3:30-5:00 pm
- Sunday, 9:00-11:30 am
- Monday, 8:00-11:30 am

*I believe that in 20 years the country will be lucky to have one progressive women's organization left standing. I want that organization to be AAUW. But to make that happen, we are going to have to be cooperative rather than competitive, and we are going to have to eliminate barriers to whom we will let into our 'tribe.'*

Corky Bush, AAUW-Montana President
